Independent Auditors' Review Report

To the Board of Directors of Rexion Industrial Corp., Ltd.:

Introduction

We have reviewed the accompanying consolidated balance sheets of Rexion Industrial Corp., Ltd. and its subsidiaries as of June 30, 2026 and 2025, and the related consolidated statements of comprehensive income for the three months and six months ended June 30, 2026 and 2025, as well as the changes in equity and cash flows for the six months ended June 30, 2026 and 2025, and notes to the consolidated financial statements, including a summary of significant accounting policies. Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, "Interim Financial Reporting" endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China. Our responsibility is to express a conclusion on the consolidated financial statements based on our reviews.

Scope of Review

Except as explained in the Basis for Qualified Conclusion paragraph, we conducted our reviews in accordance with the Standard on Review Engagements 2410, "Review of Financial Information Performed by the Independent Auditor of the Entity" of the Republic of China. A review of the consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing of the Republic of China and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

As stated in Note 4(b), the consolidated financial statements included the financial statements of certain non-significant subsidiaries, which were not reviewed by independent auditors. These financial statements reflect total assets amounting to \$220,953 thousand and \$559,130 thousand, both constituting for 3% and 8% of consolidated total assets as of June 30, 2026 and 2025, total liabilities amounting to \$92,755 thousand and \$57,605 thousand, both constituting for 2% of consolidated total liabilities as of June 30, 2026 and 2025, respectively, and total comprehensive income (loss) amounting to \$(19,066) thousand, \$(41,657) thousand, \$(45,849) thousand and \$(70,417) thousand, constituting (121)%, 28%, (98)% and 55% of consolidated total comprehensive income (loss) for the three months and six months ended June 30, 2026 and 2025, respectively.

Furthermore, as stated in Note 6(e), the other equity accounted investments of Rexion Industrial Corp., Ltd. and its subsidiaries in its investee companies of \$273,432 thousand and \$108,342 thousand as of June 30, 2026 and 2025, respectively, and its equity in net earnings on these investee companies of \$(16,173) thousand, \$(672) thousand, \$(21,716) thousand and \$(657) thousand for the three months and six months ended June 30, 2026 and 2025, respectively, were recognized solely on the financial statements prepared by these investee companies, but not reviewed by independent auditors.

Qualified Conclusion

Except for the adjustments, if any, as might have been determined to be necessary had the financial statements of certain consolidated subsidiaries and equity accounted investee companies described in the Basis for Qualified Conclusion paragraph above been reviewed by independent auditors, based on our reviews, nothing has come to our attention that causes us to believe that the accompanying consolidated financial statements do not present fairly, in all material respects, the consolidated financial position of Rexon Industrial Corp., Ltd. and its subsidiaries as of June 30, 2026 and 2025, and of its consolidated financial performance for the three months and six months ended June 30, 2026 and 2025, as well as its consolidated cash flows for the six months ended June 30, 2026 and 2025 in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Accounting Standard 34, “Interim Financial Reporting” endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

The engagement partners on the reviews resulting in this independent auditors’ review report are Chen, Cheng-Hsueh and Chang, Tzu-Hsin.

REXON INDUSTRIAL CORP., LTD. AND SUBSIDIARIES

Notes to the Consolidated Financial Statements

June 30, 2026 and 2025

(expressed in thousands of New Taiwan Dollar unless otherwise specified)

(1) Company history

Rexon Industrial Corp., Ltd. (the “Company”). was incorporated on April 30, 1973 and registered under the Ministry of Economic Affairs, R.O.C. The address of the company’ s registered office is No.261, Renhua Rd., Dali Dist., Taichung City 412, and Taiwan (R.O.C.). The Company’ s common shares were listed on the Taiwan Stock Exchange (TWSE) on February 4, 1995. The company’ s and its subsidiaries (together referred to as the “Group”) is in the business of manufacturing and selling drills, woodworking tools and fitness equipment.

(2) Approval date and procedures of the consolidated financial statements

The consolidated financial statements for the six months ended June 30, 2026 and 2025 were authorized for issuance by the board of directors on August 5, 2026.

(3) New standards, amendments and interpretations adopted:

- (a) The impact of the IFRS Accounting Standards endorsed by the Financial Supervisory Commission, R.O.C. which have already been adopted.

The Group has initially adopted the following new amendments, which do not have a significant impact on its consolidated financial statements, from January 1, 2026:

- IFRS 17 “Insurance Contracts” and amendments to IFRS 17 “Insurance Contracts”
- Amendments to IFRS 9 and IFRS 7 “Amendments to the Classification and Measurement of Financial Instruments”
- Annual Improvements to IFRS Accounting Standards—Volume 11
- Amendments to IFRS 9 and IFRS 7 “Contracts Referencing Nature-dependent Electricity”

- (b) The impact of IFRS Accounting Standards endorsed by the FSC but not yet effective

The Group assesses that the adoption of the following new amendments, effective for annual period beginning on January 1, 2027, would not have a significant impact on its consolidated financial statements:

- IFRS 19 “Subsidiaries without Public Accountability: Disclosures” and amendments to IFRS 19
- Amendments to IAS 21 “Translation to a Hyperinflationary Presentation Currency”

The Group expects to adopt the following new and amended standards, which effective for annual period beginning on January 1, 2028:

(Continued)

REXON INDUSTRIAL CORP., LTD. AND SUBSIDIARIES

Notes to the Consolidated Financial Statements

(i) IFRS 18 “Presentation and Disclosure in Financial Statements”

The new standard introduces three categories of income and expenses, two income statement subtotals and one single note on management performance measures. The three amendments, combined with enhanced guidance on how to disaggregate information, set the stage for better and more consistent information for users, and will affect all the entities.

- A more structured income statement: under current standards, companies use different formats to present their results, making it difficult for investors to compare financial performance across companies. The new standard promotes a more structured income statement, introducing a newly defined ‘operating profit’ subtotal and a requirement for all income and expenses to be allocated between three new distinct categories based on a company’s main business activities.
- Management performance measures (MPMs): the new standard introduces a definition for management performance measures, and requires companies to explain in a single note to the financial statements why the measure provides useful information, how it is calculated and reconcile it to an amount determined under IFRS Accounting Standards.
- Greater disaggregation of information: the new standard includes enhanced guidance on how companies group information in the financial statements. This includes guidance on whether information is included in the primary financial statements or is further disaggregated in the notes.

The new standard introduces consequential amendments to IAS 7, which require to use the newly defined operating profit subtotal as the starting point for the statement of cash flows when presenting operating cash flows under the indirect method. The consequential amendments also provide specific guidance on the classification of interest and dividend cash flows.

The Group is evaluating the impact on its consolidated financial statements upon the initial adoption of the new standard.

(ii) Amendments to IAS 28 “The Fair Value Option for Investments in Associates and Joint Ventures”

The Group does not expect the amendments to have a significant impact on its consolidated financial statements.

(c) The impact of IFRS Accounting Standards issued by IASB but not yet endorsed by the FSC

The Group does not expect the following new and amended standards, which have yet to be endorsed by the FSC, to have a significant impact on its consolidated financial statements:

- Amendments to IFRS 10 and IAS 28 “Sale or Contribution of Assets Between an Investor and Its Associate or Joint Venture”
- IFRS 20 “Regulatory Assets and Regulatory Liabilities”

REXON INDUSTRIAL CORP., LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

(d) Income taxes

The income tax expenses have been prepared and disclosed in accordance with paragraph B12 of International Financial Reporting Standards 34, Interim Reporting.

Income tax expenses for the period are best estimated by multiplying pre-tax income for the interim reporting period using the effective annual tax rate as forecasted by the management. This should be recognized fully as tax expense for the current period and allocated to current and deferred taxes based on its proportionate size.

Temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and their respective tax bases shall be measured based on the tax rates that have been enacted or substantively enacted at the time of the asset or liability is recovered or settled, and be recognized directly in equity or other comprehensive income as tax expense.

(5) Significant accounting assumptions and judgments, and major sources of estimation uncertainty

The preparation of the consolidated financial statements in conformity with the Regulations and IAS 34 “Interim Financial Reporting” endorsed by the FSC requires management to make judgments, and estimates about the future, including climate-related risks and opportunities, that affect the application of the accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Except for the following, the preparation of the consolidated interim financial statements, estimates and underlying assumptions are reviewed on an ongoing basis which are in conformity with the consolidated financial statements for the year ended December 31, 2025. For related information, please refer to note 5 of the consolidated financial statements for the year ended December 31, 2025.

(6) Explanation of significant accounts

Except for the following disclosures, there were no material differences in the disclosures of significant accounts between the interim consolidated financial statements for the current period and the 2025 consolidated financial statements. Please refer to Note 6 of the 2025 annual consolidated financial statements.

(r) Capital and other equity

Except for the following disclosure, there was no significant change in capital and other equity for the periods from January 1 to June 30, 2026 and 2025. For the related information, please refer to note 6 (r) of the consolidated financial statements for the year ended December 31, 2025.

(i) Retained earnings

The Company's article of incorporation stipulate that Company's net earnings should first be used to offset the prior years' deficits, if any, before paying any income taxes. Of the remaining balance, 10% is to be appropriated as legal reserve, and then any remaining profit together with any undistributed retained earnings shall be distributed according to the distribution plan proposed by the Board of Directors and submitted to the stockholders' meeting for approval.

If all or part of the dividends and bonuses are to be distributed in cash, the Board of Directors is authorized to do so upon the attendance of at least two-thirds of the directors and the approval of a majority of the directors present, and such distribution shall be reported to the stockholders' meeting.

(Continued)

REXON INDUSTRIAL CORP., LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

The Company shall first take into consideration its current and future development plan, investment environment, capital requirement, the domestic and global competition, as well as the long-term interests of stockholders in determining the stock or cash dividends to be paid. The dividends appropriated for distribution shall not be less than 20% of the current and prior-period earnings that remain undistributed. The cash dividends shall not be less than 20% of total dividends.

1) Special reserve

In accordance with the requirement of Financial Supervisory Commission, a portion of earnings shall be allocated as special earnings reserve during earnings distribution. The special earnings reserve was distributed from the current undistributed earnings, which was income after income tax plus other items, and undistributed earnings of prior period. A portion of undistributed prior-period earnings shall be reclassified as special earnings reserve and does not qualify for earnings distribution to account for cumulative changes to other shareholders' equity pertaining to prior periods. Amounts of subsequent reversals pertaining to the net reduction of other shareholders' equity shall qualify for additional distributions.

2) Earnings distribution

The amount of revenue recognized for the six months ended June 30, 2026 and 2025, that were included in the contract liability balance at the beginning of the period were \$3,766 thousand, \$5,882 thousand, \$45,319 thousand and \$7,577 thousand, respectively.

(u) **Remunerations to employees and directors**

According to the Articles of Association, once the Company has annual profit, it should at least appropriate 5% of the profit to its employees and no less than 1% shall be allocated for salary adjustments or bonuses for grassroots employees. The amount allocated for grassroots employee bonuses may be included within the total employee compensation allocation. Additionally, 5% or less to its directors as remuneration. However, if the Company has accumulated deficits, the profit should be reserved to offset the deficit. The pervading target given via cash or shares includes those dependent employees of the Company's subsidiaries under certain requirements.

For the three months and six months ended June 30, 2026 and 2025 the Company estimated its employee remuneration amounting to \$1,748 thousand, \$(1,707) thousand, \$4,411 thousand and \$0 thousand, and directors' remuneration amounting to \$149 thousand, \$(205) thousand, \$378 and \$0 thousand. The estimated amounts mentioned above are calculated based on the net profit before tax, excluding the remuneration to employees and directors of each period, multiplied by the percentage of remuneration of employees. If there are any subsequent adjustments to the actual remuneration amounts, the adjustments will be regarded as changes in accounting estimates and will be reflected in profit or loss in the following year.

For the years ended December 31, 2025 and 2024, the remunerations to employees amounted to \$36,825 thousand and \$45,297 thousand and the remunerations to directors amounted all to \$6,400 thousand, respectively. There were no differences between the estimated amounts and the actual remuneration paid, and the information is available on the Market Observation Post System website.

(w) **Financial Instruments**

(i) Credit risk

Except for the contention mentioned below, there was no significant change in the fair value of the Group's financial instruments and degree of exposure to credit risk, liquidity risk and market risk arising from financial instruments. For related information, please refer to note 6(w) of the consolidated financial statements for the year ended December 31, 2025.

(Continued)

REXON INDUSTRIAL CORP., LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

1) Concentration of credit risk

As of June 30, 2026, December 31 and June 30, 2025, the Group reviewed the concentrations of credit risk arising from major customer at percentages below 27%, 67% and 48%, respectively, of the total trade receivables. The other top three clients contributed no more than 42%, 23% and 32%, respectively, of the total receivables.

2) Receivables

For credit risk exposure of notes and accounts receivable, please refer to note 6(b). Other financial assets at amortized cost includes other receivables. For the details and loss allowance, please refer to note 6(c).

(ii) Liquidity risk

The following table shows the contractual maturities of financial liabilities, including estimated interest payments and excluding the impact of netting agreements.

	Carrying amount	Contractual cash flows	1-12 months	1-2 years	2-5 years	more than 5 years

The Group does not expect the cash flows included in the maturity analysis to occur significantly earlier or at significantly different amounts.

(iii) Currency risk

1) Exposure to foreign currency risk

The Group's significant exposure to foreign currency risk of financial assets and liabilities were as follows:

USD		7,664	31.85	244,098	5,380	31.43	169,093	7,587	29.30	222,299
EUR		227	36.29	8,238	223	36.90	8,229	227	34.35	7,797

The Group's exposure to foreign currency risk arises from the translation of the foreign currency exchange gains and losses on cash and cash equivalents, accounts and other receivables, borrowings, and accounts and other payables that are denominated in foreign currency. A strengthening (weakening) of 1% of the TWD against the USD, EUR, JPY, and GBP as of 2026 would have increased (decreased) the net profit after tax by \$15,015 thousand. 2025 would have increased (decreased) the net loss after tax by \$16,698 thousand. The analysis assumes that all other variables remain constant and ignores any impact of forecasted sales and purchases. The analysis is performed on the same basis for prior year.

Since the Group has many kinds of functional currency, the information on foreign exchange gain (loss) on monetary items is disclosed by total amount. For the six months ended June 30, 2026 and 2025, the foreign exchange (loss) gain (including realized and unrealized portions) amounted to \$17,120 thousand and \$(144,522) thousand, respectively.

(iv) Interest rate analysis

The following sensitivity analysis is based on the exposure to the interest rate risk of derivative and non-derivative financial instruments on the reporting date.

Regarding liabilities with variable interest rates, the analysis is based on the assumption that the amount of liabilities at the reporting date was outstanding throughout the year. The rate of change is expressed as the interest rate which increases or decreases by 1% when reporting to management internally, which also represents the Group management's assessment of the reasonably possible interest rate change.

If the interest rate had increased or decreased by 1%, with all other variable factors remaining constant, the Group's net income would have decreased or increased by \$13,586 thousand for the six months ended June 30, 2026. The Group's net loss would have increased (decreased) by \$8,121 thousand for the six months ended June 30, 2025.

(v) Fair value of financial instruments

1) Categories and fair value of financial instruments

The fair value of financial assets at fair value through profit or loss and financial assets measured at fair value through other comprehensive income is measured on a recurring basis. The carrying amount and fair value of the Group's financial assets and liabilities, including the information on fair value hierarchy were as follows; however, except as described in the following paragraphs, for financial instruments not measured at fair value whose carrying amount is reasonably close to the fair value, and lease liabilities, disclosure of fair value information is not required:

2) Valuation techniques for financial instruments not measured at fair value

The Group's valuation techniques and assumption used for financial instruments not measured at fair value are as follows:

For financial liabilities measured at amortized cost, if there is quoted price generated by transactions, the recent transaction price and quoted price data is used as the basis for fair value measurement. However, if no quoted prices are available, the discounted cash flows are used to estimate fair values.

3) Valuation techniques for financial instruments measured at fair value

The fair value of financial instruments is quoted prices if quoted prices are from an active market. Published prices from the main exchange and central government bonds regarded as usually-traded securities are both basis of fair values of listed equity instruments and debt instruments with quoted prices from an active market.

(Continued)

REXON INDUSTRIAL CORP., LTD. AND SUBSIDIARIES
Notes to the Consolidated Financial Statements

A financial instrument is regarded as being quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency and those prices represent actual and regularly occurring market transactions on an arm's-length basis. Whether transactions are taking place 'regularly' is a matter of judgment and depends on the facts and circumstances of the market for the instrument.

4) **Transfer between Level 1 and Level 2**

There were no transfers from one level to another in 2026 and 2025.

5) **Quantified information on significant unobservable inputs (Level 3) used in fair value measurement.**

The Group's financial instruments that use Level 3 inputs to measure fair value include "financial assets measured at fair value through profit or loss – equity investments".

Most of the Group's fair values are Level 3 "only with single significant unobservable inputs", and only equity instruments without active market have plural significant unobservable inputs. Since significant unobservable inputs of equity instruments without an active market are independent, they are not correlated.

(x) Financial risk management

There were no significant changes in the Group's financial risk management and policies as those disclosed in Note 6(x) of the consolidated financial statements for the year ended December 31, 2025.

(y) Capital management

Management believes that the objectives, policies and processes of capital management of the Group has been applied consistently with those described in the consolidated financial statements for the year ended December 31, 2025. Also, management believes that there were no significant changes in the Group's capital management information as disclosed for the year ended December 31, 2025. Please refer to note 6 (y) to the consolidated financial statements for the year ended December 31, 2025 for further details.

(z) Investing and financing activities not affecting current cash flow

The Group's investing and financing activities, which did not affect the current cash flow in the six months ended June 30, 2026 and 2025, were as follows:

(i) For acquisition of right-of-use assets through lease, please refer to note 6(g).

Reconciliation of liabilities arising from financing activities were as follows:
